

Master Tan Eng Kiat is one of the most genuine real deal martial arts Masters I have ever met and meeting him was a highlight of my trip to Malaysia. Unshakeable loyalty to our Founder General Choi Hong Hi and the Art of Taekwon-do.

Thank you Master Tan Eng Kiat for opening up your home to me.

It was an absolute honour to see and listen to you and learn more about our Taekwon-do history.

Master Tan you are a Martial Arts treasure in Malaysia.

Taekwon.
